Elon,

Attached is the updated balance sheet. [redacted]

- Pioneer Building - OpenAI/Neuralink Shared Expense - OpenAI initially asked for a reimbursement of $1.2 for 2017 and $2.5 for 2018. That was rejected and they came back with $740k for 2017 and $1.9M for 2018. You rejected this. They sharpened the pencil and came back with $360 for 2017 and $1.37M for 2018. I can explain the methodology if helpful. **Are these latest numbers more in-line with your expectations?**

[redacted]

Have a nice weekend,

Jared
